REPUBLIC SPECIAL.

New Orleans, La., April 5 - The unusual occurrence of two horses being disqualified to one day marked the sensational facients of the afternoon at Panama. In the case of Blue Flame, who was disqualified after winning the sixth race,

the judges were inclined to add a suspension of the jockey, but that happening to be Nicol they very wisely refrained and contented themselves with fining the To the enectators, there reemed to have

been little ground for taking the race from Blue Flame. He had run all around maries: his field, being taken wide on the turn sarrow margin after a hard drive.

The other instance was that of Attila, who finished second in the third race. He R v Dere, Mr. Farnam and Doctor Sherman was a pronounced choice in the betting and, like Hise Flame, had been obliged to go around the outside in the effort to get to the front and then, when under a drive in the stretch, bore in enough to cause the judges to believe he had imseded the speed of Postman, who fluished fourth. There was no chance to bring the staner of the race into question, for Dasy Green had been out in front and cleat all the way, and Attila and Lou Woods had it out for the place. The only winning favorite of the day

The only whining favorite of the day was Melodious in the first race, a six furlongs selling affair for 3-year-old filles, which brought to the pest so bad a lot that Captain Brown's filly seemed to stand out over the rest. Melodious was off in front and, with Nicol hard at her all the way, kept her advantage to the end. The 2-year-old race went to Favorita,

The E-year-old race went to Favorica, second choice in the betting to Gray Dal. The latter might have been a contender but for a tendency to run out on the stretch turn. After being prominent in the earliest sprinting, he would up a tail ender.

Ascot Beile, another of the fillies from Brown's stable was made a propositived.

Ascot Beile, another of the fillies from Brown's stable, was made a pronounced choice in the fourth. She seemed to so far outclass her company that 6 to 5 was seconnted a good price. Ascot Beile is a sulker, and she took this occasion to give another display of her temper. She broke first of her field, but, in a very short time, was bringing up the rear, where she stayed until Nicol induced her to make a selated bid in the stretch, and then she could not reach the money division. The winner of the race was Charley Dickson, He was a pacemaker all the way and, by good management, lested long enough to keep his advantage, when Nevada made has bid in the stretch.

Lancashire Lass, at a long price, was first home in the fifth race, but to get that distinction she had a right troublesome time in passing facili and Fills, the latter a short-priced favorite.

Memphis, Tenn., April 5-Fashion flocked to Montgomery Park to-day to witness the annual renewal of the Country Club Cup race for smateur riders members of the Country Club, the social adjunct to the New Memphis Jockey Club. Mr. Cleaver came all the way from

Houston, Tex., to ride. Mr. Price, an ran back to his brilliant form of two Arkansan, joined the club especially for weeks ago to-day when he defeated Bile the race, and Fred Spear, son of George Bombardier and other aged horses of class Spear, the well-known harness horse in the mile and three-stateenths race at driver and trainer and former handler of Oakland in the fast time of 1:39, Pour F. Spear put up a finish that would have been a credit to a master horseman, but Censor had stolen a long lead in the run through the stretch, and Mr. Price sat still until he had won by a half length. The time, 1:85%, witnessed the slowest mile ever traversed in a race at Monteomery Park.

OTTO STIFEL WINS. The racing feature was produced in the six furlongs dash, which brought out E. E. Smathers's Witful and J. C. Yeagar's Leonkias, for their tritial starts of the season. Witful was posted as the third betting choice. Leonidas, coupled with Waswift, was quoted at 11 to 5, while

Warwitt, was quoted at 11 to 5, while Harney Schreiber's Otto Stifel was the oods-on favorite.

Otto Stifel proved the best, but there might have been a closer finish had Hildebrand, who rode Leonidas, appeared more inclined to meet the issue. Leonidas opened up a big gan and received an easy ride, clinching second money as easily as Otto Stifel landed in first pince.

Withii appeared short and was beaten for third place by the 10s-to-1 shot, Thistle 150.

The cardinals outplayed the Browns in the field. All the errors made by the Cardinals were charged to Dave Brain, but they were meresy for bad tosses and not for misfielding his position in anyway.

Mr. McAleer's men did not show the form they displayed in last Saturday's or Sunday's game. Van Zant ano Fri k each had an error charged up to them. Rockenheld and "Dick" Padden were the other members of the team to break into the error column, and neither had to use a liming to accomplish his end.

Michole's men were off in front, a single by Mike Grady, Duckeny's sacrifice hit and Van Zant's error giving to the Cardinals a taily in the opener.

Fans believe that the sensation of crossing the plate was too much for Peity, and the shock of scoring a run unfitted him for further service in the strenuous duties of twirler in chief on the firing line. After Pelty's "marnthon" the athletes resumed again, and Frisk took a walk. Walkage summed one to Shennon on which Stone scorel. Frisk was out at second on Jones's tap to Brain.

Weaver jumped into a passed bell at this stage of the game, allowing lunleavy to go to second, and "Skeeter" negotiated the plate a moment later on J. Burke's single.

The Browns got another tally in the fifth on Van Zant's single, and Frisk's tripled, but the Cardinais evened up in the same inning by scoring on Brain's heider's choice, his steni of second and single No. 2 belonging to Michael Angelo Grady of Kennett's Square, Pa.
